Field Facts

August, 2020

Field Facts focuses on subjects that have arisen as a result of speaking with our customers and prospective customers, visiting trade shows, and feedback from our reps all over the globe.

Social Distancing & Virtual Tours

Virtual Tours are becoming more prevalent and social distancing is advised. The Idaho Milk Products is offering virtual tours of their Milk Innovation Center (MIC). It includes a state-of-the-art processing area, an instrument lab and a multi-purpose room for product evaluations.

Mostly, the focus will be on ready-to-drink beverages, protein bars and ice cream!

The MIC facilitates work to build custom innovation applications on new product developments!

“With state-of-the-art equipment, our in Milk Innovation Center, we assure our customers are receiving expert help in formulating their products...”¹
