### **Make a Choice to Make a Difference! Yes, you can!**

**Celebrating its 20th anniversary, Penn State Dairy Cattle Nutrition Workshop invited Jennifer Garrett of JG Consulting Services in Dowling, MI to make an encouraging, empowering presentation: "Choose to make a difference<sup>2</sup>."**

**Jenn challenged attendees to think about the choices they are making (personally and professionally). As Hoard's Dairyman Intel reports,<sup>1</sup> she outlined a number of key attributes that people who make a difference pursue:**

- Seek continuous improvement (thru learning and action)**
- Invest energy (and time) in what can be - don't just address 'what is'...**
- Commit to a purpose along with relevant positive alignment & integration**
